

Shower dividing walls

Stylish and elegant partitioning.

BEFORE WE
EXPECT TRUST FROM
OUR CUSTOMERS,
WE PROVIDE EVIDENCE
that's us!

ENVIRONMENT & SUSTAINABILITY *that's us!*

Sustainable management and careful use of resources are a matter of course for us and part of our corporate philosophy. This basic idea is consistently integrated and lived in our work processes. We are proud to be the first certified manufacturer of partition systems and lockers in Germany to operate according to the FSC™ and PEFC™ guidelines.

PEFC™ - registered

We pay attention to a sustainable supply chain in which our products are procured under ecological, economic and socially just aspects.

FSC™ - certified

As the first certified manufacturer in the area of partition systems and lockers in Germany, we make an active contribution to the protection of our earth with this future-oriented procurement method. We supply almost our entire range from sustainable wood in accordance with the specifications of the FSC™.

On request
the products are
available with
FSC™ certification

More privacy in the shower area.

Perfect equipped shower areas for swimming pools, wellness facilities and camping sites. With shower dividing walls of Schäfer an excellent solution! Also for schools, universities, sports halls or office and commercial buildings – Schäfer shower dividing walls are the perfect choice. In these high frequented areas an absolutely water-resistant and easy-to-clean construction is the base of a long-lasting product. Our shower dividing walls made of solid grade laminated panels or glass panels meet these requirements perfectly. Customised in design and colour, every product is unique and will match perfectly in each single project.

For each sector and project the perfect solution! Schäfer shower dividing walls for:

- Swimming pools, wellness facilities and fitness studios
- Office and commercial buildings with staff areas
- Hotels with swimming pools and spa
- Schools, universities, sports halls and school dormitories
- Camping sites

**Interesting facts about
shower dividing walls made of glass**

- Consisting of a special laminated safety glass (VSG), 10.5 mm thick
- Colour layer lies protected between two glass panes
- The use of a special waterproof film for the laminated safety glass used ensures that no water can penetrate between the two glass panes (capillary effect)
- Ensure a perfect impression even after many years of use
- High-quality aluminium hardware system
- Shower dividing walls: for more privacy in the shower area
- Completely waterproof construction
- Hygienic and easy to clean
- Very exclusive and highly stable
- The material glass protects against vandalism due to its surface quality
- Large variety of decors and colours
- Colour selection according to RAL colour chart
- Motif prints optionally possible
- System will be produced acc. to the building site dimension
